

Introducing.....

....helping you OWN YOUR LIFE!

What does it mean to OWN YOUR LIFE?

When you subtract out the sleeping time, commuting time, working time and things you have to do each and every day of your life, most people don't have more than one to two hours a day to do what they would like to do; and then, would they have the money to do it?

Owning your own life means you have the time, money and the health to do what you want to do, when you want to do it, and enjoy the health to do it.

**What does it mean to
YOU to OWN YOUR LIFE?**

To own and drive your dream car?

What does it mean to YOU to OWN YOUR LIFE?

To visit exotic locations and hang out with NEW friends?

What does it mean to YOU to OWN YOUR LIFE?

To own beautiful holiday homes in exotic locations around the world?

What does it mean to
YOU to OWN YOUR LIFE?

To have time to enjoy a lazy day at the spa?

What does it mean to YOU to OWN YOUR LIFE?

To have time to enjoy a romantic lunch while everyone is at work?

How do you own your life?

Find an income opportunity that is. . .

- ☐ Low risk
- ☐ Low cost
- ☐ Can be built part time with NO risk to your current career
- ☐ Is simple to learn and use
- ☐ Where there is a strong support system to help you
- ☐ That generates money quickly, consistently with potential to grow
- ☐ That is fun to be involved with!

If you think education is expensive. . . try ignorance

The difference between extraordinarily wealthy people and those struggling to make ends meet is often just a matter of knowledge. And yet despite spending perhaps 12 years at school (and often more at university), most people have not learned how to become financially free - and hence the seemingly never-ending struggle.

Avenues to Wealth teaches you what you wish school had taught you - how to create streams of income that deposit money into your bank account whether you are working, playing, sleeping or on a 6-month cruise. Not only do we teach you the skills, we equip you with the strategies, tactics, and opportunities to achieve financial freedom in record time.

Multiple Streams of Income

Avenues to Wealth believes that for the vast majority of people, relying on a single source of income is fraught with risk. Financial freedom is usually attained when you enjoy the benefits - and security - of **multiple streams of passive income.**

Multiple streams of savings & income

- ❑ Access to lucrative real estate investments through either individual or fractional ownership
- ❑ Massively discounted vacation packages that we negotiate with our huge bulk-buying clout plus free vacations in selected locations as a bonus to distributors
- ❑ All-expenses paid Leadership Retreats twice a year for qualifying distributors
- ❑ Thousands of dollars worth of downloadable e-books
- ❑ Country-specific discounts on accommodation, telecommunications, and a variety of everyday products
- ❑ Provides you with personal business ownership, with full training, support and guidance

We all promote products & services

- ☐ Have you ever recommended a good movie?
- ☐ What about a hairdresser or beautician?
- ☐ Have you ever suggested a restaurant?
- ☐ What about a mechanic, accountant or lawyer?
- ☐ Perhaps a real estate agent or tradesman?

Did anyone ever reward you for building their customer base?
Of course they didn't. . . but we can and will reward you each week
